You can take an active role in defending religious liberty by voting for Republican candidates this November. However, if you vote Democrat, Democrat politicians will interpret your vote as a “green light” to continue their anti-God and anti-religious liberty agenda.

If you agree, forward this email to your family, friends, neighbors, co-workers, fellow church members, and urge them to do the same, and [RUSH a donation to spread this message](#).

Democrats Are Anti-God and Anti-Religious Liberty – Here’s Why:

1. Democrats **“booted”** when party officials offered an amendment to their 2012 Presidential Platform to re-insert references to “God” that they earlier removed. Embarrassed party leaders ignored the voice vote and declared the amendment passed.
2. Democrat-controlled cities closed churches while allowing strip clubs, liquor stores, and tattoo parlors to remain open during COVID-19 lockdowns.
3. Democrats at their annual Democrat National Committee (DNC) meeting adopted an official resolution stating religious liberty “is a risk to civil rights.”
4. Biden and the Democrats in Congress removed President Trump’s waiver to deny federal funds to religious childcare services that administer those funds consistent with its religious beliefs.
5. Democrats took the words “under God” out of the Pledge of Allegiance at several Democrat National Committee (DNC) convention meetings.
6. Democrats in Congress took out “so help me God” from the oath for those testifying before House Committees to read only “swear to tell the truth, the whole truth and nothing but the truth.”
7. Democrat Senators regularly attack Supreme Court and other federal judge nominees for their religious beliefs, pro-life conviction, and faith in God.

This message that Democrat politicians are aggressively erasing our religious liberty, as well as God from public life, has been sent to 2,000,000 grassroots conservatives by FedUp PAC. But it needs to be seen by over 100,000,000 voters, which will cost about \$100,000.
